### **Southwest Gas Holdings, Inc.**

Southwest Gas Holdings, Inc., a California corporation, is a holding company headquartered in Las Vegas, Nevada. Through our wholly owned subsidiaries, Southwest and Centuri Group, Inc. (“Centuri”), we operate in two business segments: natural gas operations and utility infrastructure services.

In January 2017, we completed a reorganization into our present holding company structure. The holding company structure provides further legal separation between our regulated natural gas operations and unregulated utility infrastructure services businesses and additional financing flexibility. Through the reorganization, shareholders of Southwest (the predecessor publicly held parent company) became shareholders of the Company, on a one-for-one basis, with the same number of shares and same ownership percentage as they held immediately prior to the reorganization, and Southwest became an indirect, wholly owned subsidiary of the Company. Also as a part of the reorganization, Southwest transferred its equity interest in Centuri to a direct, wholly owned subsidiary of the Company; whereas, historically, Centuri had been a direct subsidiary of Southwest.

Southwest was incorporated in March 1931 under the laws of the state of California and provides regulated natural gas delivery services to customers in portions of Arizona, Nevada, and California. Public utility rates, practices, facilities, and service territories of Southwest are subject to regulatory oversight. The timing and amount of rate relief can materially impact results of operations. Natural gas purchases and the timing of related recoveries can materially impact liquidity. Results for the natural gas operations segment are higher during winter periods due to the seasonality incorporated in its regulatory rate structures.

Centuri is a comprehensive utility infrastructure services enterprise dedicated to delivering a diverse array of solutions to North America’s gas and electric providers. Centuri derives revenue from installation, replacement, repair, and maintenance of energy distribution systems, and developing industrial construction solutions. Centuri operations are generally conducted under the business names of NPL Construction Co., NPL Canada Ltd., New England Utility Constructors, Inc. (“Neuco”), and Linetec Services, LLC (“Linetec”).

At our annual meeting of shareholders held on May 2, 2019, our shareholders voted to approve our reincorporation from California to Delaware (the “Reincorporation”). The Reincorporation is expected to become effective during the second or third quarter of 2019 subject to certain regulatory approvals. No change in ownership will result from the Reincorporation. Upon completion of the Reincorporation, the existing holders of our common stock will own all of the outstanding shares of common stock of Southwest Gas Holdings, Inc., a Delaware corporation. Other than the change in corporate domicile, the Reincorporation will not result in any change in our business operations, board composition or term, assets, liabilities or net worth, or physical location, nor will it result in any change of our current employees, including management, or in their title or responsibilities. For more information about the Reincorporation, see our definitive proxy statement on Schedule 14A filed with the SEC on March 18, 2019. Shareholders also approved an amendment to Article V of our articles of incorporation increasing the number of shares of common stock which we have authority to issue from 60,000,000 shares to 120,000,000 shares. No change was made to the number of authorized shares of preferred and preference stock.

## RISK FACTORS

*Investing in our common stock involves risks. You should carefully consider the risk factors set forth below, as well as the additional risk factors described in “Item 1A—Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2018, which is incorporated by reference in this prospectus, as well as those risks discussed from time to time in our subsequently filed reports, before deciding to invest in the common stock. You should also consider the other information contained or incorporated by reference in this prospectus before deciding to invest in our common stock.*

***We may use the net proceeds of this offering in ways that have a negative impact on our stock price.***

We intend to use the net proceeds of this offering for general corporate purposes, which may include the acquisition of property for the construction, completion, extension or improvement of pipeline systems and facilities located in and around the communities Southwest serves. Our management will have broad discretion in the application of the net proceeds from this offering and could spend the proceeds in ways that do not improve our results of operations or enhance the value of our common stock. Accordingly, you will be relying on the judgment of our management with regard to the use of net proceeds, and you will not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately. Our failure to apply these funds effectively could have a material adverse effect on our business and cause the price of our common stock to decline.

***You may experience future dilution as a result of future equity offerings or other equity issuances.***

In order to raise additional capital, we may in the future offer and issue additional shares of our common stock or other securities convertible into or exchangeable for our common stock. We cannot assure you that we will be able to sell shares or other securities in any other offering at a price per share that is equal to or greater than the price per share paid by you, and investors purchasing shares or other securities in the future could have rights superior to existing stockholders. The price per share at which we sell additional shares of our common stock or other securities convertible into or exchangeable for our common stock in future transactions may be higher or lower than the price per share in this offering paid by you.

***Our common stock price may be volatile or may decline.***

The market price for our common stock may fluctuate significantly from time to time as a result of many factors, including:

- investors’ perceptions of us and our prospects;
- investors’ perceptions of us and/or our industries’ risk and return characteristics relative to other investment alternatives;
- investors’ perceptions of the prospects of the natural gas and utility infrastructure services markets;
- differences between actual financial and operating results and those expected by investors and analysts;
- changes in analyst reports, recommendations or earnings estimates regarding us, other comparable companies or our industries generally, and our ability to meet those estimates;
- actual or anticipated fluctuations in quarterly financial and operating results;
- volatility in the equity securities market;
- sales, or anticipated sales, of large blocks of our common stock;
- a real or perceived economic downturn; and
- other factors described under “Cautionary Statement Regarding Forward-Looking Information”.

In addition, the Company can provide no assurance that its discussions regarding certain trends relating to its financing and operating expenses will continue or cease to continue in future periods. Additional factors that could cause actual results to differ and that you should consider prior to investing in our securities are discussed under the heading "Risk Factors" and in other sections of this prospectus supplement, the accompanying prospectus and our current and periodic reports, and other filings, filed from time to time with the SEC that are incorporated by reference into this prospectus. ## USE OF PROCEEDS

We expect to use net proceeds from the sale of shares of common stock under the sales agency agreement for general corporate purposes, including the acquisition of property for the construction, completion, extension or improvement of pipeline systems and facilities located in and around the communities Southwest serves.

## PLAN OF DISTRIBUTION

We have entered into a sales agency agreement, dated as of May 8, 2019 with BNY Mellon Capital Markets, LLC, or BNYMCM, under which we may issue and sell shares of our common stock with an aggregate sales price of up to \$300,000,000 from time to time through BNYMCM, as our agent for the offer and sale of the shares. The sales, if any, of the shares of common stock under the sales agency agreement will be made in “at the market” offerings as defined in Rule 415 of the Securities Act.

From time to time during the term of the sales agency agreement, and subject to the terms and conditions set forth therein, we may deliver an issuance notice to BNYMCM specifying the length of the selling period (not to exceed 20 trading days), the amount of common stock to be sold and the minimum price below which sales may not be made. Upon receipt of an issuance notice from us, and subject to the terms and conditions of the sales agency agreement, BNYMCM has agreed to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such shares on such terms. We or BNYMCM may suspend the offering of shares of common stock at any time upon proper notice to the other, upon which the selling period will immediately terminate. Settlement between us and BNYMCM for sales of common stock will occur on the second business day following the date on which any sales are made, or on some other date that is agreed to between us and BNYMCM in connection with a particular transaction. The obligation of BNYMCM under the sales agency agreement to settle such purchases with us pursuant to any issuance notice is subject to a number of conditions, which BNYMCM reserves the right to waive in its sole discretion.

We will pay BNYMCM a commission equal to 1% of the sales price of all shares sold through it as agent under the sales agency agreement. We have also agreed to reimburse BNYMCM for its reasonable documented out-of-pocket expenses, including fees and expenses of counsel, in connection with the sales agency agreement.

We will deliver to the New York Stock Exchange copies of this prospectus and the accompanying prospectus pursuant to the rules of the exchange. We will report at least quarterly the number of shares of common stock sold through BNYMCM, as agent, in at-the-market offerings, the net proceeds to us and the compensation paid by us to BNYMCM in connection with such sales of common stock.

BNYMCM and its affiliates have performed certain investment banking and advisory and general financing, trustee and banking services for us from time to time for which they have received customary fees and expenses. BNYMCM and its affiliates may, from time to time, engage in transactions with, and perform services for, us in the ordinary course of our business.

In connection with the sale of the common stock hereunder, BNYMCM, may be deemed to be an “underwriter” within the meaning of the Securities Act of 1933, and the compensation paid to BNYMCM will be deemed to be underwriting commissions or discounts. We have agreed to indemnify BNYMCM against certain civil liabilities, including liabilities under the Securities Act of 1933.

The offering of common stock pursuant to the sales agency agreement will terminate upon the earlier of (1) the sale of all shares of common stock subject to the sales agency agreement and (2) termination of the sales agency agreement by either BNYMCM or us. The sales agency agreement may be terminated by BNYMCM or

us at any time upon 10 days' notice, and upon 1 day's notice by BNYMCM in certain circumstances, including certain bankruptcy events relating to us or any material subsidiary, our failure to maintain a listing of our common stock on the New York Stock Exchange or the occurrence of a material adverse change in the Company.

We have agreed not to directly or indirectly sell, offer to sell, contract to sell, grant any option to sell or otherwise dispose of, shares of our common stock or securities convertible into or exchangeable for shares of our common stock, warrants or any rights to purchase or acquire our common stock for a period beginning on the first trading day prior to the delivery of any issuance notice to BNYMCM and ending on the first trading day following the settlement date for the applicable issuance notice, without the prior written consent of BNYMCM. This consent may be given at any time without public notice. The restriction described in this paragraph does not apply to sales of:

- shares we offer or sell pursuant to the sales agency agreement;
- shares we issue in connection with acquisitions;
- shares we issue upon conversion of convertible securities, or the exercise of warrants, options or other rights; or
- shares and options to purchase shares we issue, in either case, pursuant to any employee or director stock option or benefit plan, stock purchase or ownership plan or dividend reinvestment plan.

We have also agreed not to sell any shares of our common stock pursuant to the sales agency agreement from and after the closing date of the Reincorporation until the time that we have filed a post-effective amendment to this registration statement to reflect the Reincorporation.

Furthermore, one of BNYMCM's affiliates is, and, in the future, one or more affiliates of BNYMCM may be, lenders or agents under our credit facilities, term loan facilities or other borrowing facilities. To the extent that we use the net proceeds from this offering to repay amounts we have borrowed, may borrow or re-borrow in the future under those facilities, those lenders may receive their pro rata portion of any of the proceeds from this offering that we use to repay any such amounts. See "Use of Proceeds."

### **Item 17. Undertakings**

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

## [Table of Contents](#)

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) That, insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or

otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

## ARTICLE II ISSUANCE AND SALE OF COMMON STOCK

### Section 2.01 Issuance.

(a) Upon the terms and subject to the conditions of this Agreement, the Company may sell Common Shares through BNYMCM and BNYMCM shall use its commercially reasonable efforts to sell Common Shares, up to the Maximum Program Amount, based on and in accordance with such number of Issuance Notices as the Company, in its sole discretion, shall choose to deliver during the Commitment Period until the aggregate number of Common Shares sold under this Agreement equals the Maximum Program Amount or this Agreement is otherwise terminated. Subject to the foregoing and the other terms and conditions of this Agreement, upon the delivery of an Issuance Notice, and unless the sale of the Common Shares described therein has been suspended, cancelled or otherwise terminated in accordance with the terms of this Agreement, BNYMCM will use its commercially reasonable efforts consistent with its normal trading and

sales practices to sell such Common Shares up to the Issuance Amount specified in such Issuance Notice, and otherwise in accordance with the terms of such Issuance Notice. BNYMCM will provide written confirmation to the Company no later than the opening of the Trading Day next following the Trading Day on which it has made sales of Common Shares hereunder setting forth the portion of the Actual Sold Amount for such Trading Day, the corresponding Sales Price and the Issuance Price payable to the Company in respect thereof. BNYMCM may sell Common Shares in the manner described in Section 2.01(b) herein. The Company acknowledges and agrees that (i) there can be no assurance that BNYMCM will be successful in selling Common Shares and (ii) BNYMCM will incur no liability or obligation to the Company or any other Person if it does not sell Common Shares for any reason other than a failure by BNYMCM to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such Common Shares as required under this Section 2.01. In acting hereunder, BNYMCM will be acting as agent for the Company and not as principal.

(b) Method of Offer and Sale. The Common Shares may be offered and sold by any method permitted by law and deemed to be an “at the market offering” as defined in Rule 415 under the Securities Act. The Common Shares may also be offered and sold to or through a market maker or in privately negotiated transactions, provided the parties hereto have so agreed in writing and if so provided in the “Plan of Distribution” section of the Prospectus or a further supplement to the Prospectus describing the terms of such negotiated transaction. Nothing in this Agreement shall be deemed to require either party to agree to the offering and sale of Common Shares to or through a market maker or in privately negotiated transactions and either party may withhold its consent thereto in its sole discretion.

(c) Issuances. Upon the terms and subject to the conditions set forth herein, on any Trading Day as provided in Section 2.03(b) hereof during the Commitment Period on which the conditions set forth in Section 5.01 and 5.02 hereof have been satisfied, the Company may exercise an Issuance by the delivery of an Issuance Notice, executed by the Chief Executive Officer, President, Chief Financial Officer, Vice President/Finance/Treasurer, Corporate Secretary, and Assistant Corporate Secretary of the Company (each, an “Authorized Officer”), to BNYMCM. BNYMCM shall use its commercially reasonable efforts to sell pursuant to such Issuance not more than the Issuance Amount. Each sale of Common Shares will be settled on the applicable Settlement Date following such sale.

Section 2.02 Effectiveness. At the Closing, the following closing transactions shall take place, each of which shall be deemed to occur simultaneously with the Closing: (a) the Company shall deliver to BNYMCM a certificate executed by the Secretary or Assistant Secretary of the Company, signing in such capacity, dated the date of the Closing (i) certifying that attached thereto are true and complete copies of the resolutions duly adopted by the Board of Directors of the Company authorizing the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby (including, without limitation, the issuance of the Common Shares pursuant to this Agreement), which authorization shall be in full force and effect on and as of the date of such certificate and (ii) certifying and attesting to the office, incumbency, due authority and specimen signatures of each Person who executed the Agreement for or on behalf of the Company; (b) the

Company shall deliver to BNYMCM a certificate executed by the Chief Executive Officer, the President, Chief Financial Officer, Treasurer or Vice-President of Finance of the Company and by the Controller, Director/Accounting or Chief Accounting Officer of the Company, signing in such capacity, dated the date of the Closing, confirming that the representations and warranties of the Company contained in this Agreement are true and correct in all material respects and that the Company has performed in all material respects all of its obligations hereunder to be performed on or prior to the Closing Date and as to the matters set forth in Section 5.01(a) hereof; (c) Morrison & Foerster LLP, counsel to the Company, shall deliver to BNYMCM an opinion, dated the date of the Closing and addressed to BNYMCM, substantially in the form of Exhibit B-1 attached hereto; (d) Karen Haller, Executive Vice President, Chief Legal and Administrative Officer of the Company, or other counsel selected by the Company and reasonably satisfactory to BNYMCM, shall deliver to BNYMCM an opinion, dated the date of the Closing and addressed to BNYMCM, substantially in the form of Exhibit B-2 attached hereto; (e) Ballard Spahr LLP, counsel to BNYMCM, shall deliver such opinion or opinions, dated as of the Closing as BNYMCM may reasonably request; (f) PricewaterhouseCoopers LLP shall deliver to BNYMCM a letter, dated the Closing Date, in form and substance reasonably satisfactory to BNYMCM; and (i) the Company shall pay the expenses set forth in Section 9.02(b), (d) and (i) hereof by wire transfer to the account designated by BNYMCM in writing prior to the Closing.

#### Section 2.03 Mechanics of Issuances.

(a) Issuance Notice. On any Trading Day during the Commitment Period, the Company may deliver an Issuance Notice to BNYMCM, subject to the satisfaction of the conditions set forth in Sections 5.01 and 5.02; provided, however, that, notwithstanding anything in this Agreement to the contrary, BNYMCM shall have no further obligations with respect to any Issuance Notice if and to the extent the number of Common Shares to be sold pursuant thereto, together with the aggregate number of the Common Shares previously sold under this Agreement shall exceed the Maximum Program Amount.

(b) Delivery of Issuance Notice. An Issuance Notice shall be deemed delivered on the Trading Day that it is received by facsimile or e-mail (and the Company either such notice by telephone (including voice-mail message)) by BNYMCM. No Issuance Notice may be delivered other than on a Trading Day during the Commitment Period and as set forth in Section 4.13.

(c) Floor Price. BNYMCM shall not sell Common Shares below the Floor Price during any Selling Period, as such Floor Price may be adjusted by the Company at any time during any Selling Period upon notice to BNYMCM and confirmation to the Company.

(d) Trading Guidelines. BNYMCM may, to the extent permitted under the Securities Act and the Exchange Act, purchase and sell Common Stock for its own account while this Agreement is in effect provided that (i) no such purchase or sale shall take place while an Issuance Notice is in effect (except to the extent that, if the parties have agreed in writing that sales may be made to or through a market maker or in privately negotiated transactions, BNYMCM may engage in sales of Common Shares purchased or deemed purchased from the Company as a “riskless” principal or in a similar capacity), (ii) in no circumstances shall BNYMCM have a short position in the Common Stock for its own account and (iii) the Company shall not be deemed to have authorized or consented to any such purchases or sales by BNYMCM. In addition, the Company

That each delivery of an Issuance Notice and each delivery of Common Shares on a Settlement Date shall be deemed to be (a) an affirmation to BNYMCM that the representations and warranties of the Company contained in or made pursuant to this Agreement are true and correct in all material respects as of the date of such Issuance Notice or of such Settlement Date, as the case may be, as though made at and as of each such date, except as may be disclosed in the Prospectus (including any documents incorporated by reference therein and any supplements thereto) or otherwise in writing by the Company to BNYMCM on or before such date of delivery or Settlement Date, as the case may be, and (b) an undertaking that the Company will advise BNYMCM if any of such representations and warranties will not be true and correct in all material respects as of the Settlement Date for the Common Shares relating to such Issuance Notice, as though made at and as of each such date (except that such representations and warranties shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented relating to such Common Shares).

#### Section 4.07 Opinions of Counsel.

(a) That each time the Registration Statement or the Prospectus is amended or supplemented (other than by means of (x) an amendment or supplement relating solely to the issuance or offering of securities other than the Common Shares, or (y) a Current Report on Form 8-K, unless reasonably requested by BNYMCM within thirty (30) days of the filing thereof with the Commission), including by means of an Annual Report on Form 10-K or a Quarterly Report on Form 10-Q filed with the Commission under the Exchange Act and incorporated or deemed to be incorporated by reference into the Prospectus (each such amendment or supplement an "Opinion Trigger Event"), the Company shall at any time selected by the Company on or following the date of such Opinion Trigger Event (except that during a Selling Period or any other period in which a prospectus relating to the Common Shares is required to be delivered by BNYMCM under the Securities Act, such time shall be no later than one (1) Trading Day after each Opinion Trigger Event that occurs during such period; and provided that in any case delivery shall be a condition to the delivery of an Issuance Notice) furnish forthwith to BNYMCM a written opinion or negative assurance letter of Morrison & Foerster LLP, counsel for the Company, and Karen Haller, Executive Vice President, Chief Legal and Administrative Officer of the Company, or other counsel selected by the Company and reasonably satisfactory to BNYMCM, in each case dated the date of delivery and in form reasonably satisfactory to BNYMCM, (i) if such counsel has previously furnished an opinion or negative assurance letter to the effect set forth in Exhibit B-1 or B-2 hereto (as applicable), to the effect that BNYMCM may rely on such previously furnished opinion of such counsel to the same extent as though it were dated the date of such letter authorizing reliance (except that the statements in such last opinion shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented to such date) or (ii) if such counsel has not previously furnished an opinion to the effect set forth in Exhibit B-1 or B-2 hereto (as applicable), of the same tenor as such opinion of such counsel but modified to relate to the Registration Statement and the Prospectus as amended and supplemented to such date.

(b) Notwithstanding the foregoing, the Company may upon written notice to BNYMCM elect to, in lieu of furnishing to BNYMCM such written opinions contemplated by Section 4.07(a) at the times specified in Section 4.07(a), furnish or cause to be furnished to BNYMCM such written opinions on each Issuance Date, dated such Issuance Date. Such written opinions shall satisfy the requirements of this Section 4.07 for the period from the date of such written opinions until the Registration Statement or the Prospectus is next amended or supplemented (other than (x) an amendment or supplement relating solely to the issuance or offering of securities other than the Common Shares and (y) by a Current Report on Form 8-K, unless reasonably requested by BNYMCM within thirty (30) days of the filing thereof with the Commission), including by means of an Annual Report on Form 10-K or a Quarterly Report on Form 10-Q filed with the Commission under the Exchange Act and incorporated or deemed to be incorporated by reference into the Prospectus, upon which amendment or supplement the Company shall furnish such written opinions contemplated by Section 4.07(a) as soon as practicable after such amendment or supplement, each dated the date of such amendment or supplement, as the case may be.

Section 4.08 Comfort Letters. That, to the extent the Registration Statement or the Prospectus is amended or supplemented, including by means of an Annual Report on Form 10-K, a Quarterly Report on Form 10-Q or a Current Report on Form 8-K (but only a Current Report on Form 8-K that contains financial statements of the Company filed with the Commission under the Exchange Act and incorporated or deemed to be incorporated by reference into the Prospectus), but other than by means of an amendment or supplement relating solely to the issuance or offering of securities other than the Common Shares, and in any case to set forth financial information

included in or derived from the Company's financial statements or accounting records (each such amendment or supplement a "Comfort Letter Trigger Event"), the Company shall, at any time selected by the Company on or following the date of such Comfort Letter Trigger Event, but on or prior to the first Issuance Date following such Comfort Letter Trigger Event, and as a condition to delivering an Issuance Notice, cause its independent certified public accountants who have audited the financial statements of the Company included or incorporated by reference in the Registration Statement to furnish to BNYMCM a letter, dated the date of delivery, in form reasonably satisfactory to BNYMCM, of the same tenor as the letter referred to in Section 5.01(g) hereof but modified to relate to the Registration Statement and the Prospectus as amended or supplemented to the date of such letter, with such changes as may be necessary to reflect changes in the financial statements and other information derived from the accounting records of the Company, to the extent such financial statements and other information are available as of a date not more than five (5) business days prior to the date of such letter; provided, however, that, with respect to any financial information or other matters, such letter may reconfirm as true and correct at such date as though made at and as of such date, rather than repeat, statements with respect to such financial information or other matters made in the letter referred to in Section 5.01(g) hereof that was last furnished to BNYMCM; provided, further, that the Company shall not be required to furnish such a letter with respect to the financial statements of any business acquired that are included in a Current Report on Form 8-K. A comfort letter delivered in accordance with this Section 4.08 shall satisfy the requirements of this section for the period from the date of such comfort letter until the next Comfort Letter Trigger Event upon which the Company shall cause its independent certified public accountants to furnish a new comfort letter as contemplated by this Section 4.08.

#### Section 4.09 Officers Certificate.

(a) That each time the Registration Statement or the Prospectus is amended or supplemented (other than by means of (x) an amendment or supplement relating solely to the issuance or offering of securities other than the Common Shares or (y) a Current Report on Form 8-K, unless reasonably requested by BNYMCM within thirty (30) days of the filing thereof with the Commission), including by means of an Annual Report on Form 10-K or a Quarterly Report on Form 10-Q filed with the Commission under the Exchange Act and incorporated or deemed to be incorporated by reference into the Prospectus (each such amendment or supplement, an "Officers' Certificate Trigger Event"), the Company shall at any time selected by the Company on or following the date of such Officers' Certificate Trigger Event (except that during a Selling Period or any other period in which a prospectus relating to the Common Shares is required to be delivered by BNYMCM under the Securities Act, such time shall be no later than one (1) Trading Day after each Officers' Certificate Trigger Event that occurs during such period; and provided that in any case delivery shall be a condition to the delivery of an Issuance Notice) furnish forthwith to BNYMCM a certificate, dated the date of delivery, in such form and executed by such officers of the Company as is reasonably satisfactory to BNYMCM, of the same tenor as the certificate referred to in Section 2.02(a-b) but modified to relate to the Registration Statement and the Prospectus as amended and supplemented to such date.

(b) Notwithstanding the foregoing, the Company may upon written notice to BNYMCM elect to, in lieu of furnishing to BNYMCM such certificates contemplated by Section 4.09(a) at the times specified in Section 4.09(a), furnish or cause to be furnished to BNYMCM such certificate on each Issuance Date, dated such Issuance Date; provided that such certificate

shall satisfy the requirements of this Section 4.09 for the period from the date of such certificate until the Registration Statement or the Prospectus is next amended or supplemented (other than (i) an amendment or supplement relating solely to the issuance or offering of securities other than the Common Shares and (ii) by a Current Report on Form 8-K, unless reasonably requested by BNYMCM within thirty (30) days of the filing thereof with the Commission), including by means of an Annual Report on Form 10-K or a Quarterly Report on Form 10-Q filed with the Commission under the Exchange Act and incorporated or deemed to be incorporated by reference into the Prospectus, upon which amendment or supplement the Company shall furnish or cause to be furnished such certificate contemplated by Section 4.09(a) as soon as practicable after such amendment or supplement, dated the date of such amendment or supplement, as the case may be.

Section 4.10 Stand Off Agreement. Without the written consent of BNYMCM, the Company will not, directly or indirectly, offer to sell, sell, contract to sell, grant any option to sell or otherwise dispose of any shares of Common Stock or securities convertible into or exchangeable for Common Stock (other than Common Shares hereunder), warrants or any rights to purchase or acquire, Common Stock during the period beginning on the first (1st) Trading Day immediately prior to the date on which any Issuance Notice is delivered to BNYMCM hereunder and ending on the first (1st) Trading Day immediately following the last Settlement Date with respect to Common Shares sold pursuant to such Issuance Notice (the “Stand-Off Period”); provided, however, that such restriction will not be required in connection with the Company’s issuance or sale of (i) Common Stock, options to purchase shares of Common Stock or Common Stock issuable upon the exercise or vesting of options or other equity awards pursuant to any employee or director stock option, incentive or benefit plan, stock purchase or ownership plan (whether currently existing or adopted hereafter) or dividend reinvestment plan (but not shares subject to a waiver to exceed plan limits in a stock purchase plan) of the Company, (ii) Common Stock issuable upon conversion of securities or the exercise of warrants, options or other rights disclosed in the Company’s Commission filings, (iii) Common Stock issuable as consideration in connection with acquisitions of business, assets or securities of other Persons and (iv) any issuances to be made in connection with the Reincorporation.

Section 4.11 Market Activities. The Company will not, directly or indirectly, (i) take any action designed to cause or result in, or that constitutes or might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Common Shares or (ii) during the Stand-Off Period, sell, bid for or purchase the Common Shares, or pay anyone any compensation for soliciting purchases of the Common Shares other than BNYMCM.

Section 4.12 Reincorporation Reaffirmation and Assumption. From and after the Reincorporation Date, SWX Delaware, in addition to the operation of law, pursuant to Section 259 of the Delaware General Corporation Law, 8 *Del C.* §259, by action of delivering an Issuance Notice or allowing any continued performance of BNYMCM under this Agreement, shall reaffirm and ratify this Agreement, and expressly assume all of SWX California’s obligations hereunder.

Section 4.13 Reincorporation Date. If a Selling Period is then ongoing, the Company shall notify BNYMCM at least three (3) Trading Days prior to the Reincorporation Date and the Issuance Notice relating to such Selling Period shall be immediately terminated and deemed withdrawn, immediately terminating the Selling Period. Upon the withdrawal of the Issuance

Notice, the Company shall not deliver an Issuance Notice and no Common Shares shall be sold pursuant to this Agreement from the Reincorporation Date until the time that such post-effective amendment to the Registration Statement becomes effective and the Reincorporation is complete. The Company shall provide written notice to BNYMCM if the Merger Agreement is amended, modified, or changed in any way, or the performance of any of its material terms is waived, whether expressly or not, by any party thereto.

ARTICLE V  
CONDITIONS TO DELIVERY OF ISSUANCE  
NOTICES AND TO SETTLEMENT

Section 5.01 Conditions Precedent to the Right of the Company to Deliver an Issuance Notice and the Obligation of BNYMCM to Sell Common Shares During the Selling Period(s). The right of the Company to deliver an Issuance Notice hereunder is subject to the satisfaction, on the date of delivery of such Issuance Notice, and the obligation of BNYMCM to sell Common Shares during the applicable Selling Period(s) is subject to the satisfaction, on the applicable Settlement Date(s), of each of the following conditions:

(a) Effective Registration Statement and Authorizations. The Registration Statement shall remain effective, and sales of Common Shares may be made by BNYMCM thereunder and (i) no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission; (ii) no other suspension of the use or withdrawal of the effectiveness of the Registration Statement or Prospectus shall exist; (iii) all requests for additional information on the part of the Commission with respect to the Registration Statement or the Prospectus shall have been complied with to the reasonable satisfaction of BNYMCM; and (iv) no event specified in Section 4.03 hereof shall have occurred and be continuing without the Company amending or supplementing the Registration Statement or the Prospectus as provided in Section 4.03. The authorizations referred to in Section 3.08 of this Agreement are in full force and effect, to the knowledge of the Company, are not the subject of any pending application for rehearing or petition for modification and are sufficient to authorize the issuance and sale of the Common Shares.

(b) Accuracy of the Company's Representations and Warranties. The representations and warranties of the Company shall be true and correct in all material respects as of each Representation Date (including such Issuance Date and Settlement Date), as though made at such time, except as may be disclosed in the Prospectus on or before the applicable Representation Date.

(c) Performance by the Company. The Company shall have performed, satisfied and complied with in all material respects all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Company at or prior to such date.

(d) No Injunction. No statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by any court or governmental authority of competent jurisdiction or any self-regulatory organization having authority over the matters contemplated hereby that prohibits or directly and materially adversely affects any of the transactions contemplated by this Agreement, and no proceeding shall have been commenced that may have the effect of prohibiting or materially adversely affecting any of the transactions contemplated by this Agreement.

(e) Material Adverse Changes. Since the date of this Agreement, no event that had or is reasonably likely to have a Material Adverse Effect shall have occurred that has not been disclosed in the Registration Statement or the Prospectus (including the documents incorporated by reference therein and any supplements thereto).

(f) No Suspension of Trading In or Delisting of Common Stock; Other Events. The trading of the Common Stock (including without limitation the Common Shares) shall not have been suspended by the Commission, the Principal Market or the Financial Industry Regulatory Authority since the immediately preceding Settlement Date or, if there has been no Settlement Date, the Closing Date, and the Common Shares (including without limitation the Common Shares) shall have been approved for listing or quotation on (subject only to notice of issuance) and shall not have been delisted from the Principal Market. There shall not have occurred (and be continuing in the case of occurrences under clauses (i) and (ii) below) any of the following: (i) if trading generally on the NYSE has been suspended or materially limited, or minimum and maximum prices for trading have been fixed, or maximum ranges for prices have been required, by the NYSE or by order of the Commission, the Financial Industry Regulatory Authority or any other governmental authority, or a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States; (ii) a general moratorium on commercial banking activities in New York declared by either federal or New York state authorities; or (iii) any material adverse change in the financial markets in the United States or in the international financial markets, any outbreak or escalation of hostilities or other calamity or crisis involving the United States or the declaration by the United States of a national emergency or war or any change or development involving a prospective change in national or international political, financial or economic conditions, if the effect of any such event specified in this clause (iii) in the reasonable judgment of BNYMCM makes it impracticable or inadvisable to proceed with the sale of Common Shares of the Company.

(g) Comfort Letter. On the Closing Date, PricewaterhouseCoopers LLP shall have furnished to BNYMCM a letter of the sort contemplated by Section 2.02(f) hereof, dated the Closing Date, to the effect required by Section 2.02(f), and on each applicable date referred to in Section 4.08 hereof that is on or prior to such Issuance Date or Settlement Date, as the case may be, the independent registered public accounting firm who has audited the financial statements of the Company included or incorporated by reference in the Registration Statement shall have furnished to BNYMCM a letter of the sort contemplated by Section 4.08, dated such applicable date, in form and substance satisfactory to BNYMCM to the effect required by Section 4.08.

(h) No Defaults. Upon execution and delivery of this Agreement and immediately after consummation of the proposed sale of the Common Shares to BNYMCM, none of the Company nor any of the Material Subsidiaries shall be in default under (whether upon the passage of time, the giving of notice or both) its organizational or other governing documents, or any provision of any security issued by the Company or any of its Material Subsidiaries, or of any agreement, instrument, indenture, mortgage, deed of trust or other undertaking to which the Company or any of its Material Subsidiaries is a party or by which it or any of its property or assets is bound, or the applicable provisions of any law, statute, rule, regulation, order, writ, injunction, judgment or decree of any court or governmental authority to or by which the Company, any of its Material Subsidiaries or any of their property or assets is bound, in each case which default, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

(i) Trading Cushion. The Selling Period for any previous Issuance Notice shall have expired.

(j) Maximum Issuance Amount. In no event may the Company issue an Issuance Notice to sell an Issuance Amount to the extent that (i) the sum of (x) the requested Issuance Amount, plus (y) the number of Common Shares issued under all previous Issuances effected pursuant to this Agreement (including all Common Shares issued by SWX California and SWX Delaware), would exceed the Maximum Program Amount.

(k) Counsel Letter. The counsel specified in Section 4.07, or other counsel selected by the Company and reasonably satisfactory to BNYMCM, shall have furnished to BNYMCM their written opinions, dated the Closing Date and each applicable date referred to in Section 4.07 that is on or prior to such Issuance Date or Settlement Date, as the case may be, to the effect required by Section 4.07.

(l) Officers' Certificate. The Company shall have furnished or caused to be furnished to BNYMCM an officers' certificate executed by one of the Authorized Officers specified in Section 2.01(c), dated the Closing Date and each applicable date referred to in Section 4.09(a) that is on or prior to such Issuance Date or Settlement Date, as the case may be, as to the matters specified in Section 2.02(a-b).

(m) Other Documents. On the Closing Date and prior to each Issuance Date and Settlement Date, BNYMCM and its counsel shall have been furnished with such documents as they may reasonably require in order to evidence the accuracy and completeness of any of the representations or warranties, or the fulfillment of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Common Shares as herein contemplated shall be reasonably satisfactory in form and substance to BNYMCM and its counsel.

(n) Reincorporation. Following the Reincorporation Date, each of the Reincorporation Conditions shall have been met prior to the delivery of any Issuance Notice by the Company.

Section 5.02 Documents Required to be Delivered on each Issuance Date. BNYMCM's obligation to sell Common Shares pursuant to an Issuance hereunder shall additionally be conditioned upon the delivery to BNYMCM on or before the Issuance Date of a certificate in form and substance reasonably satisfactory to BNYMCM, executed by an Authorized Officer of the Company, to the effect that all conditions precedent to the delivery of such Issuance Notice shall have been satisfied as at the date of such certificate (which certificate shall not be required if the foregoing representations shall be set forth in the Issuance Notice).

Section 5.03 Suspension of Sales. The Company or BNYMCM may, upon notice to the other party in writing or by telephone (confirmed immediately by verifiable facsimile transmission or e-mail), suspend any sale of Common Shares, and the Selling Period shall immediately terminate; provided, however, that such suspension and termination shall not affect or impair either

party's obligations with respect to any Common Shares sold hereunder prior to the receipt of such notice. The Company agrees that no such notice shall be effective against BNYMCM unless it is made to one of the individuals named on Schedule 1 hereto, as such Schedule may be amended from time to time. BNYMCM agrees that no such notice shall be effective against the Company unless it is made to one of the individuals named on Schedule 1 annexed hereto, as such Schedule may be amended from time to time.

## ARTICLE VI INDEMNIFICATION AND CONTRIBUTION

Section 6.01 Indemnification by the Company. The Company agrees to indemnify and hold harmless BNYMCM, its officers, directors, employees and agents, and each Person, if any, who controls BNYMCM within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with each such Person's respective officers, directors, employees and agents (collectively, the "Controlling Persons"), from and against any and all losses, claims, damages or liabilities, and any action or proceeding in respect thereof, to which BNYMCM, its officers, directors, employees and agents, and any such Controlling Person may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Prospectus or any other prospectus relating to the Common Shares (including a Free Writing Prospectus), or any amendment or supplement thereto, or any preliminary prospectus, or arise out of, or are based upon, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus or any amendment or supplement thereto or any preliminary prospectus, in light of the circumstances in which they were made) not misleading, except insofar as the same are made (i) in reliance upon and in conformity with information related to BNYMCM or its plan of distribution furnished in writing to the Company by BNYMCM expressly for use therein, or (ii) in a Free Writing Prospectus used by BNYMCM in violation of Section 2.04, and the Company shall reimburse BNYMCM, its officers, directors, employees and agents and each Controlling Person for any reasonable legal and other expenses incurred thereby in investigating or defending or preparing to defend against any such losses, claims, damages or liabilities, or actions or proceedings in respect thereof, as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such losses, claims, damages or liabilities, or any action or proceeding, arise out of or are based upon an untrue statement or omission contained in the Registration Statement, the Prospectus or any other prospectus relating to the Common Shares, or any amendment thereto, if (x) such untrue statement or omission or alleged untrue statement or omission is corrected in an amendment or supplement to such prospectus and (y) having previously been furnished by or on behalf of the Company with copies of such prospectus as so amended or supplemented, BNYMCM thereafter fails to deliver such prospectus as so amended or supplemented (in such cases where BNYMCM is legally required to deliver a prospectus) prior to the transaction giving rise to the claims from which such losses, claims, damages or liabilities, or action or proceeding arise.

Section 6.02 Indemnification by BNYMCM. BNYMCM agrees to indemnify and hold harmless the Company, its officers, directors, employees and agents and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with each such Person's respective officers, directors, employees and

agents, from and against any losses, claims, damages or liabilities, and any action or proceeding in respect thereof, to which the Company, its officers, directors, employees or agents, any such controlling Person and any officer, director, employee or agent of such controlling Person may become subject under the Securities Act, the Exchange Act or otherwise, insofar as losses, claims, damages or liabilities (or action or proceeding in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Prospectus or any other prospectus relating to the Common Shares (including a Free Writing Prospectus), or any amendment or supplement thereto, or any preliminary prospectus, or arise out of, or are based upon, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus or any other prospectus relating to the Common Shares, or any amendment or supplement thereto or any preliminary prospectus, in light of the circumstances in which they were made) not misleading in each case to the extent, but only to the extent that such untrue statement or alleged untrue statement or omission or alleged omission was made therein (a) in reliance upon and in conformity with written information related to BNYMCM or its plan of distribution furnished to the Company by BNYMCM expressly for use therein, or (b) in a Free Writing Prospectus used by BNYMCM in violation of Section 2.04, and BNYMCM shall reimburse the Company, its officers, directors, employees and agents, and each controlling Person of the Company for any reasonable legal and other expenses incurred thereby in investigating or defending or preparing to defend against any such losses, claims, damages or liabilities, or actions or proceedings in respect thereof, as such expenses are incurred.

Section 6.03 Conduct of Indemnification Proceedings. As promptly as reasonably practicable after receipt by any Person (an “Indemnified Party”) of notice of any claim or the commencement of any action in respect of which indemnity may be sought pursuant to Section 6.01 or 6.02, the Indemnified Party shall, if a claim in respect thereof is to be made against the Person against whom such indemnity may be sought (an “Indemnifying Party”), notify the Indemnifying Party in writing of the claim or the commencement of such action. In the event an Indemnified Party shall fail to give such notice as provided in this Section 6.03 and the Indemnifying Party to whom notice was not given was unaware of the proceeding to which such notice would have related and was materially prejudiced by the failure to give such notice, the indemnification provided for in Sections 6.01 or 6.02 shall be reduced to the extent of any actual prejudice resulting from such failure to so notify the Indemnifying Party; provided, that the failure to notify the Indemnifying Party shall not relieve it from any liability that it may have to an Indemnified Party otherwise than under Section 6.01 or 6.02. If any such claim or action shall be brought against an Indemnified Party, the Indemnifying Party shall be entitled to participate therein, and, to the extent that it wishes, jointly with any other similarly notified Indemnifying Party, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof other than reasonable costs of investigation; provided that the Indemnified Party shall have the right to employ separate counsel to represent the Indemnified Party, but the fees and expenses of such counsel shall be for the account of such Indemnified Party unless (a) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of such counsel or (b) such Indemnified Party reasonably concludes that representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interest with the

Company, it being understood, however, that the Indemnifying Party shall not, in connection with any one such claim or action or separate but substantially similar or related claims or actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (together with appropriate local counsel) at any time for all Indemnified Parties or for fees and expenses that are not reasonable. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or could have been a party and indemnification could have been sought hereunder by such Indemnified Party unless such settlement includes an unconditional release of each such Indemnified Party from all losses, claims, damages or liabilities arising out of such claim or proceeding and such settlement does not admit or constitute an admission of fault, guilt, failure to act or culpability on the part of any such Indemnified Party. Whether or not the defense of any claim or action is assumed by an Indemnifying Party, such Indemnifying Party will not be subject to any liability for any settlement made without its prior written consent, which consent will not be unreasonably withheld.

Section 6.04 Contribution. If for any reason the indemnification provided for in this Article VI is unavailable to the Indemnified Parties in respect of any losses, claims, damages or liabilities referred to herein, then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities as between the Company, on the one hand, and BNYMCM, on the other hand, in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand and BNYMCM on the other hand from the offering of the Common Shares to which such losses, claims, damages or liabilities relate. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each Indemnifying Party shall contribute to such amount paid or payable by such Indemnifying Party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company and of BNYMCM in connection with such statements or omissions, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and by BNYMCM, on the other, shall be deemed to be in the same proportion as the total net proceeds from the sale of Common Shares (before deducting expenses) received by the Company bear to the total commissions received by BNYMCM in respect thereof. The relative fault of the Company, on the one hand, and of BNYMCM, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on one hand or by BNYMCM on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and BNYMCM agree that it would not be just and equitable if contribution pursuant to this Section 6.04 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an Indemnified Party as a result of the losses, claims, damages or liabilities referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any reasonable legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 6.04, BNYMCM shall in no

event be required to contribute any amount in excess of the commissions received by it under this Agreement. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 6.04 each officer, director, employee and agent of BNYMCM, and each Controlling Person, shall have the same rights to contribution as BNYMCM, and each director of the Company, each officer of the Company who signed the Registration Statement, and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Company. The obligations of the Company and BNYMCM under this Article VI shall be in addition to any liability that the Company and BNYMCM may otherwise have.

## ARTICLE VII TERMINATION

Section 7.01 Term. Subject to the provisions of this Article VII, the term of this Agreement shall run until the end of the Commitment Period.

Section 7.02 Termination by BNYMCM.

(a) BNYMCM may terminate the right of the Company to effect any Issuances under this Agreement upon one (1) Trading Days' notice if any of the following events shall occur:

(i) The Company or any Material Subsidiary shall make an assignment for the benefit of creditors, or apply for or consent to the appointment of a receiver or trustee for it or for all or substantially all of its property or business; or such a receiver or trustee shall otherwise be appointed;

(ii) Bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings for relief under any bankruptcy law or any law for the relief of debtors shall be instituted by or against the Company or any Material Subsidiaries;

(iii) The Company shall fail to maintain the listing of the Common Stock on the Principal Market; or

(iv) Since the Effective Date, there shall have occurred any event, development or state of circumstances or facts that has had or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) BNYMCM shall have the right, by giving ten (10) days' notice as hereinafter specified to terminate this Agreement, in BNYMCM's sole discretion, at any time.

Section 7.03 Termination by the Company. The Company shall have the right, by giving ten (10) days' notice as hereinafter specified, to terminate this Agreement in its sole discretion at any time. After delivery of such notice, the Company shall no longer have any right to deliver any Issuance Notices hereunder.

Section 7.04 Liability; Provisions that Survive Termination. If this Agreement is terminated pursuant to this Article VII, such termination shall be without liability of any party to any other party except as provided in Section 9.02 and for the Company's obligations in respect of all prior Issuance Notices, and provided further that in any case the provisions of Article VI, Article VIII and Article IX shall survive termination of this Agreement without limitation.

ARTICLE VIII  
REPRESENTATIONS AND WARRANTIES TO SURVIVE DELIVERY
