Southwest Gas Holdings Issues Statement

March 7, 2022

LAS VEGAS, March 7, 2022 /PRNewswire/ -- Southwest Gas Holdings, Inc. (NYSE: SWX) (“Southwest Gas”) today issued the following statement in response to a publicly released letter from Carl C. Icahn.

We are moving forward expeditiously to complete the separation of Centuri within 9 to 12 months because we believe that this is the optimal time to create two strong independent companies. Centuri is expected to achieve a premium valuation among peers due to its attractive, investment-grade utility customer base and track record of significant EBITDA growth. Upon fully separating Centuri, our company will be a pure-play, fully regulated natural gas business with strong regulatory relationships that underpinned near-record growth in revenues and rate base in 2021. The recently acquired regulated pipeline business, MountainWest, provides a complementary and compelling suite of high-return assets to generate substantial cashflows and earnings accretion. Our regulated natural gas operations enjoy unique strength and stability and we are confident in our ability to obtain permanent financing on attractive terms and to lower our future borrowing costs as a pure-play regulated entity.

About Southwest Gas Holdings, Inc.
